
Behold, how good and joyful a thing it is
for brethren to dwell together in unity!

We gather together to ask the Lord's blessing...

O Saviour, bless us ere we go...

Holy Father, cheer our way...

Lead us, O Father, in the paths of peace...

Where cross the crowded ways of life,
Where sound the cries of race and clan,
Above the noise of selfish strife
We hear thy voice, O Son of man.

We too shall join you as comrades in grace...

On our way rejoicing...

Brightly gleams our banner, pointing to the sky...

O Master, let me walk with thee...

Father, we come, with youth and vigor pressing...

Praise we the Lord this day...

Welcome, happy morning...

I was glad when they said unto me,
"Let us go into the house of the Lord!"
